About

Recently funemployed code monkey looking to broaden his skillset and horizons, preferably outside of North America. Prefers fitness balls over fancy chairs, and better to know in person than on paper (or screen)

Work

Fetch Auto

February 2017 – May 2018

Senior Software Developer

<https://fetchauto.ca>

Got called back to Vancouver while travelling abroad by my former team lead at Yardi to become the first employee at Fetch Auto, the only end-to-end solution for Canadians to buy, sell and finance private sale vehicles

Yardi Energy | EnerNOC | Pulse Energy

June 2014 – September 2016

Software Developer

<https://pulseenergy.com>

Returned to Pulse Energy as a new grad in Summer 2014 looking to broaden his horizons – by 2014's end we were acquired by EnerNOC, and then in Summer 2016 sold off to Yardi

Pulse Energy

January 2013 – August 2013

Software Developer (co-op)

<https://pulseenergy.com>

I cut my chops at a mid-size start-up that gave utilities and energy retailers' an unrivaled understanding of their commercial and industrial customers, and helped dozens of utilities such as British Gas, PG&E, and BC Hydro to transform their businesses with energy intelligence

Education

Simon Fraser University

September 2009 – April 2014

Bachelor's degree

Computing Science & Political Science

Print styles are hard to write, and one-pagers are harder – check out the full copy at <http://resume.randytarampi.ca>
